b. Rotary Press and Colorverter - (continued item)

This Division, in cooperation with the Procurement Division, has reviewed bids submitted on the rotary press and colorverter, and has recommended the acceptance of a bid on each of these items. The acceptance of the bid on the press is dependent upon a satisfactory demonstration of the press's ability to print on 8½ lb. bible stock. An employee of this Division is to visit the manufacturer's establishment in New York for this demonstration.

c. Personnel (continued item)

One new employee, a pressman, reported for duty during this period. Also, a summer employee reported for duty and has been assigned to the "K" Building Plant. Concentrated efforts have resulted in filling all but eleven positions in the Division. Action is pending against each of these remaining eleven positions.
